

FREE SEMINARS FOR BEAUTY SCHOOLS

Hands-on education with *professional tools*

Silvia Lavy is a Miami beauty educator and Head Educator for Straight Ahead. For nearly 20 years she has worked in business and beauty, and today she brings professional hairstyling tools into classrooms so students learn to choose and use them with confidence.

HEAD EDUCATOR | STRAIGHT AHEAD

What students learn

- The differences between tools, plate materials and technologies
- How to choose the right tool for each hair type and styling goal
- Hands-on practice with flat irons, dryers, air stylers and curlers
- How to start building a clientele and a portfolio while still in school
- Confidence and direction for a successful career
